When printed, this line should be 2 in (5 cm). Enlarge or reduce as necessary to ensure your pattern is accurate.

CUTTING LINE

2. With wrong sides together, stitch  $\frac{1}{4}$ " around rectangle. Leave opening HERE to insert marble. Then stitch closed.

1. CUT 2 OF FLEECE (at least one piece should be plain - not printed)

3. Pin pattern to rectangle. Stitch maze lines through paper backstitching at each ending line. Move marble as needed.

4. Edge maybe finishing with decorative stitch or serge.
